

PRICE LIST 2024

(SCHEDULE 1)

Established in 2016 by a group of parent-carers looking to provide meaningful activities for their children, Brighter Horizons is a leading activity provider in Southeast London for adults with learning disabilities. Our Services are designed to promote choice, foster wellbeing, build independence and support personal development.

We operate Monday to Friday (except as specified in the Terms or in the Support Plan) and will provide You with a personalised timetable of centre and community-based activities which reflects the Client’s personal interests and which enables progression towards the Client’s personal development goals. The Client will also be assigned one of Our qualified carers as a key worker who will function as the Client’s principal source of support while You are with Us.

Our Day Centre attendance charges include person-centred care which meets a range of individual care needs, the costs of all centre-based and the majority of community-based activities and any transport costs associated with the activities in the personal timetable in the Support Plan. Please note that this does not include the Client’s travel to and from Our centre in Downham each day; this Service carries an additional charge as detailed in the Transport Costs.
